Nestled in 11.5 acres of ranch property (50/50 woods/fields/fenced/cross-fenced), this custom residence offers an unmatched private retreat for those seeking a comfortable life-style and seclusion.

A gated entry leads past a beautiful pond to a traditional 2-story home with open floor plan and tons of light. An entertainer's kitchen features huge island, 2 dishwashers, 2 sinks, 4 ovens and huge dining area. Quartz counters, custom cabinets with pot drawers, ZLINE appliances, a huge walk-in pantry, and a casual dining are some other features of this spectacular space.

The adjacent family room has a brick fireplace and custom built-ins. Sliding doors and large windows flood the space with light, and views of the property. The first level also has a large laundry room, full bath that is perfect for a pool bath, plus primary suite with a spa-like bath and huge closet. An additional first floor bedroom has a bath for guests or use as a nursery. Upstairs are 4 bedrooms, 2 full baths, and a spacious game room. A welcoming outdoor living space is provided by the covered patio with wood trim ceiling. The patio is pre-plumbed for installation of an outdoor kitchen.
